

St. Edmund's Girls' School

Wyvern College

Headteacher:
Mrs N Bull

July 2018

Dear Parent/Carer,

Activities week Wednesday 17th July 2019 – Monday 22nd July 2019

I am delighted to be able to inform you that Wyvern College and St Edmund's school will be offering an Activities Week for all students in July 2019.

Activities Week has been reintroduced following consultation with both students and staff and I felt that in order to facilitate your planning it was important to advise you that this will run from Wednesday 17th July to Monday 22nd July 2019. Please note that term finishes on Tuesday 23rd July 2019 and will include our end of year celebration to recognise student successes across the academic year.

We hope that Activities Week will provide your son and/or daughter with a wonderful opportunity to get involved in and experience an exciting activity of their preference. The aim of the week is to provide a variety of new and interesting experiences which will also help your child develop their social, emotional and cultural skills. On offer will be a range of activities, trips and visits both on and off-site, including residential trips in the UK and abroad. We aim to ensure that no child will be disadvantaged regardless of personal circumstance.

I will send full details to you in the form of a booklet in the first autumn term which will allow you and your son/daughter to look at all experiences on offer and select your choices accordingly. I wish you a wonderful summer break.

Yours sincerely,

Jill Bellamy
Assistant Headteacher
