

St. Edmund's Girls' School

Wyvern College

12.7.18

Dear Parent/Carer,

You will be aware of the recent incident in Amesbury and Salisbury which has reached headline news over the course of the last week.

The Director for Children's Services at Wiltshire County Council has advised that we inform students to be mindful and not to touch or pick up any foreign objects particularly needles, syringes or containers.

Tutors have been taking time to talk to their classes to ensure that students are given the opportunity to share their feelings and are made aware of the importance of being vigilant when in public.

Please remind your children of this message at home: 'If you didn't drop it, don't pick it up'.

You can find further advice and guidance on the Public Health England website:
