# Attendance

It goes without saying that attending school and being punctual are both vitally important. We are here to help and find the vast majority of attendance issues can be resolved with good communication between home and school and vice versa. Form Tutors, Heads of Year and an Attendance Administrator are all on hand to support with attendance issues/queries. If your child is unable to attend school, please call the main switchboard and select the student absence option. You should then leave a message about your child's absence; messages are picked up throughout the day.

Further information including unplanned absence and appointments can be found at <https://st-Edmund's.eu/school-life/leave-of-absence/>
