IMPORTANT INFORMATION FOR:

Parent/Carer of «Forename» «Surname»
«Reg»

Dear Parent/Carer

This year, for the first time, we will be contacting you via text. This will include all important and urgent messages from the school. Examples include school closures due to adverse weather, or reminders about parent's evenings etc. Many of you will have had experience of such a system at primary school.

To gain the maximum benefit for you and the school we wish as many parents as possible to be part of the system.

If you are currently registered to HomeContact we will automatically transfer your contact details (to include phone number, email address, etc) to our new CallParents system. Similarly, if you are not yet registered to HomeContact we will be putting the contact details we have for you into the system.

As with HomeContact your details will be stored on a third party server, owned by Truancy Call Ltd. (*Please note these text alerts will go to the Priority 1 contact only. Contact llennard@st-edmunds.eu if you wish a second parental responsibility text number to be added to the system*). **If you wish to opt out and do not want your contact details to be stored with CallParents please contact us in writing by Monday 2nd October 2017 marking your letter for the attention of Mrs L Lennard.**

Yours faithfully

Mrs N Bull
