Dear Parent/Carer

**College Open Days**

I would like to clarify our position regarding students attending open days for sixth form provision.

We quite understand that students are interested in going, but we do try to encourage students to attend the open evenings instead for a couple of reasons:

It helps students compare 'like with like' by going to all evening events rather than one daytime event and other evenings.

It can add pressure on a student if they miss a school day, whether that be lessons or exams, as they have to catch up at another time.

Our position, for these reasons, is that we would prefer all students not to miss a day of school: all local colleges run open evenings as attached.

Yours sincerely
