

Wyvern College

St Edmund's Girls' School

February 2019

Dear Parent/Carer

Year 9 Curriculum Choices for Key Stage 4 and Subject Consultation Evening: Tuesday 12th Feb 3:15-7pm

I am writing to invite you and your child to our combined **Curriculum choices and subject Consultation Evening on Tuesday 12th February**. Your daughter is about to enter a significant phase in her education and when she commences her GCSE courses in September it is our aim to ensure that she makes fully informed decisions, to ensure that she achieves to the fullest extent of her potential.

The consultation evening will be the formal launch of the process. The evening will include a presentation in the Wyvern hall highlighting the key elements of the process and explaining the curriculum on offer. The presentation will last approximately 30 minutes and take place at 4pm, 5pm and 6pm. Students must therefore ensure that they do not book appointments during the slot in which you plan to attend. This will run concurrently with an opportunity to discuss potential choices as well as current progress with subject teachers.

On the evening, you will also receive the choices booklet, which will explain the content and construction of the Key Stage 4 Curriculum. You will be able to take this away with you and examine the detailed information about the GCSE courses offered. Senior members of staff and tutors will also be available during the evening to discuss any queries you may have.

The final deadline for submitting the pathways form is **Wednesday 27th February**. This will allow time between the evening and the deadline for any further support you and your child may require. Your child's tutor will be able to offer support and guidance throughout the process supported by her Head of year and senior staff.

Yours Sincerely

D Jeffries

Mr Daniel Jeffries
Deputy Head teacher
