First, write in all the things you must do, such as: <i>Easter lunch with family</i> or <i>Prom dress shopping with mum</i>. Then add blocks of revision around these times. 2. Think about which revision techniques work for you and ask for guidance from staff if you need to. 3. Little and often is the best way to revise. 4. Make sure you don't work all day, every day. Spread out your revision sessions so that you have regular breaks and time to do the things you enjoy. 5. Relax! If you revise sensibly then you will be well prepared. | | | | |
