

Dear Parent/Carer

Results Day Arrangements – Thursday 20th August 2020

Please find detailed below the arrangements for students to collect their GCSE/Vocational Course results from school on Thursday 20th August 2020.

As a Learning Campus, we have put careful plans in place to ensure that students are still able to collect their results in person, as we feel it is important to give students the opportunity to have face-to-face contact with staff members on such a momentous day in their education.

As you will see, we have spread out the collection times to minimise the amount of students in school at any one time. It is extremely important that your child collects their results within their allotted time slot to ensure that we do not have a large number of students in school at once. Please also ensure that:

- Your child adheres to social distancing whilst in school and that no physical contact is made with other students or staff members. We appreciate that results day can be emotional but students must ensure the social distancing guidelines are followed at all times.
- Hand sanitiser is used as students enter school (sanitiser units will be available at both entrances).
- Your child enters school on their own to collect their results.

Should any students be unable to collect their results in person, these will be posted to the home address we hold on our school system, First Class on 20th August after the collection slots have concluded. If students are unable to collect their results themselves and would like someone to collect them on their behalf, they **must** provide that person with a signed letter to hand in at school giving them their permission.
