### **Questions raised at the St Edmund's year 9 assembly, 3rd May 2018**

#### **Will the food be different in September?**

There are various teams working on plans for September and one of them is working out what will happen with the dining halls, for the first year we will keep the food offers the same, so St Edmund's and Wyvern will be offering their usual menu and students can choose what they would like to eat. Wyvern generally have more of a snack/fast food kind of offering and we obviously have the hot options. This should reduce queues. Tutors will show you around on the first day back.

#### **Will we still need to be in our classrooms at 0800 if we have a Wyvern classroom?**

Yes the same rules will apply for all students in every building.

#### **Can we go everywhere in the Wyvern building?**

You probably won't need to. It will just be a Campus at social times, all other times you will be in classes. There are to be no students in classrooms at lunchtimes because there will be social spaces available throughout the campus. There are plans to cover over the area behind the St Edmund's canteen currently where the table tennis area is so that it creates more undercover space for eating.

#### **Will we have mixed assemblies?**

That is not in the plan at the moment.

#### **Will we be able to use our fingerprints in the other canteen?**

We are working on arrangements and everything will be in place for September.

#### **Will we have the same amount of time to get to our lessons over at Wyvern?**

Yes if you walk at a decent pace it is actually closer to get to some rooms in Wyvern from St Edmund's than it is to get to areas of St Edmund's. We will have the staircase up to the music department back open again and are looking at access around the building at the moment.

#### **Will our non-school uniform days be the same?**

Yes everything will be aligned going forward. We are looking at having the sponsored walk together, there are currently no plans for sports day but perhaps over time.

#### **Can we please have some tours of the rooms in Wyvern for forms?**

Yes certainly.
