

St. Edmund's Girls' School

19 September 2018

Dear Parent/Carer

Re: Science KS3 Study guides.

We are pleased to inform you that we now have Science Study guides for the new Year 7 Science curriculum available to purchase for your son or daughter. The Study Guide will support your child throughout their first two years in senior school in Science (covering both years 7 & 8).

We have selected CGP as the publishers for the study guides. These are widely available to purchase online. However, as a school, we are able to buy them in bulk and therefore achieve a discounted rate. Should you wish to purchase them through the school, please make payment through your ParentPay account. Once you have accessed ParentPay please follow the instructions on the screen, select the relevant study guide payment item and make your payment.

If you are unable to use ParentPay please contact (boys) ewells@wyvernsted.org or (girls) krobins@wyvernsted.org

Details are as follows:

All classes will be able to buy the:

- KS3 Science Study Guide – Higher. £2.60 (rrp £4.05)

Some Pupil Premium students may qualify for a study guide free of charge. If you believe this is the case for your son or daughter, please ask them to speak to the Senior Science Technician, Mrs Southwell.

We do strongly encourage all students to use study guides as part of a thorough revision programme preparing for their end of unit tests and end of year exams. Should you have any queries regarding the Science programme your son or daughter is studying, please direct them to their Science teacher in the first instance.

Yours faithfully,

P Cutts

Mr P Cutts
Subject Leader Science

Headteacher: Nicola Bull
