

Dear Parents

Year 7 visit to Winchester Science centre and Planetarium Friday 30th June 2017

The Science Department have an exciting trip planned to Winchester Science Centre and Planetarium. The trip will include a show in the largest planetarium in the UK. The pupils will experience a flight through the universe in the planetarium show. They will also have the opportunity to try lots of other interactive exhibits. This trip complements the Science KS3 curriculum in many ways. We also hope it will be a fun and exciting day out. Pupils will be required to bring a packed lunch with them. The trip will take place in normal school times.

Voluntary contributions of £18.50 are requested to cover the cost of this trip by the closing date of Friday 16th June.

No child will be denied the chance of taking part regardless of any contribution made, but if voluntary contributions do not meet the full costs, it may not be possible to run the trip. We regret that refunds cannot be made unless the visit is cancelled by the school. If you have any concerns, please do not hesitate to enquire before making payment.

If you are making a voluntary contribution, please make payment through your ParentPay account. Once you have accessed ParentPay you will see the trip on the screen, which you need to select. This will allow you to make payment and to complete the necessary permission slip for the trip. Please include details of any medical conditions and contact details for the day in the notes field on Parent Pay.

If you are not making a voluntary contribution, please ask your daughter to ask her Science teacher for a hard copy consent form. Please complete this and return it to the grey box in the main corridor, in an envelope marked for my attention. If you are unable to do this please contact Mrs Williams, the Assistant Business Manager – awilliams@st-edmunds.eu.

Yours sincerely

Mrs S Newman
(Activity Leader)
