Dear Year 11 Student

### **Prom 2020**

We hope that you are keeping well? It seems strange to write to you about the Year 11 Prom at a time when the country is dealing with COVID-19. Nevertheless, we wanted to update you on the latest developments from the school.

It would appear impractical to keep you all hanging on for details of a social gathering in the near future when all government guidance suggests that mass gatherings will not be permitted for the foreseeable future. With this in mind, we have taken the decision to delay any formal recognition of your time at Wyvern St Edmunds for the time being. We know that this will come as another disappointing piece of news and can only extend our sympathies.

In the absence of detailed guidance about a timeframe, we feel it is the right thing to refund your payments and reassess further opportunities when the time is right. We will write to you about a Prom/or whatever kind of event you'd all like when we are, once more, allowed to meet in large groups. As this could be some time away, we do not want to keep hold of your money, so we will be issuing refunds from ParentPay in the coming weeks.

Do not forget, we are here for you if you need us, although we cannot discuss GCSE grades, as you know. If we can help in any other way, please let us know.

Regards

*S Hayakawa*
