July 2020

Dear Parent/Carer

We hope that this letter finds you all well. We are delighted to be able to give you the information that we know lots of Year 6s are desperate for: the tutor group that your child will be in next year.

Tutors groups comprise of boys and girls and are of mixed ability. We spend a really long time creating our tutor groups to make sure they are carefully balanced to ensure that each group has children from a range of primary schools, academic abilities, additional needs and talents. As you know, we have also spent time learning about your child from their primary school teachers and understanding who works well with each other and perhaps who would benefit from being with some new friends. We have taken account of the friendship requests and language requests that we received, and the vast majority of those requests have been met, so we feel fairly confident that your child will be happy with the tutor group that they have been placed in. Even if your child has some reservations about the tutor group, please trust that we have carefully considered exactly where is the best fit for them so please encourage them to feel excited and positive!

«FORENAME» will be in «TUTOR_GP» and their tutor will be «NAME_OF_TUTOR». They will be learning «Language». Please keep checking the transition page of our website or our YouTube channel (Wyvern St Edmund's) for short introductory videos from each of their new tutors which will be appearing over the next few weeks.

We have also attached a letter about the *ParentPay* login details – the way you can pay for school dinners or trips at Wyvern St Edmund's. This won't be accessible until the end of this term so please check again later on in the summer holidays.

The new Wyvern St Edmund's P.E. and dance kit for our incoming Year 7 students is now available to order from: <https://www.swischoolwear.co.uk/>. Please go to the link and create an account, selecting Wyvern St Edmund's from the drop down menu. The main school uniform for Year 7 Wyvern St Edmund's students is available from: <https://www.pbuniform-online.co.uk/wyvernschool>. When you enter the shop, please click on 'Year 7s only' at the top left of the page.

In light of the Government announcement last week regarding full opening of schools in September, we will write to you again with specific details and our risk assessment in due course. We are ploughing our way through the lengthy guidance documents to make sure that the health and wellbeing of our students is the priority but that we can also deliver our full curriculum and teach your children all the subjects they have been so excited about. As you are already aware, the plan is for Year 7 to have a day in school on their own before other year groups start so they will have a full induction to WSE and detailed briefings about health and safety and the COVID government guidelines. Year 7 Induction Day will be on Wednesday 2nd September 2020.

Kind Regards

Mrs K Kantolinna
Head of Year 7
