Dear Parent/Carer,

Re: GCSE Science Revision Guides – 9-1 Specification

We are pleased to inform you that we now have Science revision guides for the new 9-1 GCSEs available to purchase for your son/daughter to support them in studying for their GCSE Sciences courses.

Your son/daughter will be studying one of two routes for their Science GCSEs:

- GCSE Combined Science (leading to 2 GCSE qualifications). Awarding Body: AQA (classes 10X3, 10X4, 10Y1, 10Y2, 10Y3, 10Y4, 10Y5, 10Y6)

Or, for a small number

- GCSE in Separate Science (leading to 3 GCSE qualifications). Awarding Body: AQA (classes 10X1 and 10X2)

We have selected CGP as the publishers for the revision guides we are offering. These are widely available to purchase online. However, as a school, we are able to buy them in bulk and therefore achieve a discounted rate. If you wish to purchase them through the school, please make payment through your ParentPay account. Once you have accessed ParentPay please follow the instructions on the screen, select the relevant revision guide payment item and make your payment.

If you are unable to use ParentPay please contact (boys) ewells@wyvernsteds.org or (girls) krobins@wyvernsteds.org

Cont'd/

Some Pupil Premium students may qualify for revision guides free of charge. If you believe this is the case for your son/daughter, please ask her to speak to the Senior Science Technician, Mrs Southwell.

We do strongly encourage all students to use revision guides in combination with the exam board specification when consolidating their knowledge throughout year 10 and 11 and as part of a thorough revision programme preparing for their GCSE examinations. Should you have any queries regarding the Science programme your son/daughter is studying, please direct them to their Science teacher in the first instance.

Kind regards

P Cutts
