Dear Parent/Carer

**Re: Science Revision Guides – New 9-1 Specification**

We are pleased to be able to tell you that we now have Science revision guides for the new 9-1 specifications available to purchase for your daughter to support her in studying her GCSE Sciences courses.

Your daughter will be studying one of two routes for her Science GCSEs:

- GCSE Combined Science (leading to 2 GCSE qualifications). Awarding Body: AQA (classes 10X2, 10Y2, 10X3, 10Y3, 10Y4)

Or

- GCSE in Triple Science (leading to 3 GCSE qualifications). Awarding Body: AQA (classes 10X1 and 10Y1)

We have selected CGP as the publishers for the revision guides we are offering. These are widely available to purchase online. As a school we are able to buy them in bulk and therefore achieve a discounted rate. Should you wish to purchase them through the school:

Please make payment through your ParentPay account. Once you have accessed ParentPay please follow the instructions on the screen, select the relevant revision guide payment item and make your payment.

If you are unable to use ParentPay please contact Mrs Williams, the Assistant Business Manager (awilliams@st-edmunds.eu).

Details are as follows:

<p><b>GCSE Combined Science for classes 10X2 and 10Y2</b></p> <p>GCSE Combined Science Revision Guide (Higher) 1 book comprising content for all 3 Sciences</p> <p>£7.00 (retail price £9.95)</p>	<p><b>GCSE Combined Science for 10Y4</b></p> <p>GCSE Combined Science Revision Guide (Foundation) 1 book comprising content for all 3 Sciences</p> <p>£7.00 (retail price £9.95)</p>
<p><b>GCSE Combined Science for classes 10X3 and 10Y3</b></p> <p>GCSE Combined Science Revision Guide (Higher or Foundation – girls should speak to their Science teacher to agree which guide is recommended) 1 book comprising content for all 3 Sciences</p> <p>£7.00 (retail price £9.95)</p>	<p><b>GCSE Triple Science for classes 10X1 and 10Y1</b></p> <p>3 Separate Guides: Biology Chemistry Physics</p> <p>£12 for all 3 books (retail £17.85)</p>

Some Pupil Premium students may qualify for revision guides free of charge. If you believe this is the case for your daughter, please ask her to speak to the Senior Science Technician, Mrs Southwell.

We do strongly encourage all students to use revision guides in combination with the exam board specification when consolidating their knowledge throughout year 10 and 11 and as part of a thorough revision programme preparing for their GCSE examinations. Should you have any queries regarding the Science programme your daughter is studying, please direct them to her Science teacher in the first instance.

Kind regards

**Mrs K Evans**  
**Science Academic Leader**
