

Dear Parent/Carer

Year 11 Information Evening – Thursday 6th October

As your daughter embarks on her final year at St. Edmund's, the realisation that the majority of her GCSEs are 'just around the corner' must now be looming large.

Year 11 has the potential to be the most stressful year in your daughter's education so far, and we want to do everything we can to ensure it goes as smoothly as possible. As a parent who may not have gone through this before, or even if you have, the ever changing education landscape means that knowledge and information is key.

To this end, we would like to invite Year 11 students and parents to the 'Year 11 Information Evening on **Thursday 6th October at 6.30 pm** in the hall.

The evening will outline exactly what the next nine months have in store for you and your daughter. As well as an overview of key dates, deadlines and information on applying for sixth form, teachers from core subjects will be leading fifteen minute workshops. These will provide you with information on how to support your daughter's revision at home in the lead up to exams.

This evening proved very successful last year for Year 11 students and parents, and we believe it played a key role in helping the girls achieve such wonderful GCSE results.

We look forward to seeing you and your daughter there.

Yours sincerely

N Bull
Deputy Headteacher
