

March 2020

Dear Parent/Carer

Parent Forum 6pm -7pm 11th March 2020

You are warmly invited to our next Parent Forum meeting on Wednesday 11th March.

The meeting is an informal gathering that allows for updates to be shared and for consultation with parents and carers of our students on key developments within the school.

We are committed to ensuring that all our stakeholders have the opportunity to contribute to the ongoing development of the school. Your views are very important to us as we work to fulfil the vision and ambition we have for the school and for each and every student.

At this meeting, we will provide feedback on the recent Ofsted inspection and an update on our Christian vision and plans to continue to develop our ethos and identity. There will be general updates on other developments. In addition, Mrs Evans who is leading on uniform development will attend to provide you with more information about this in line with new legislation about uniform suppliers.

As ever, we are eager to have your views and any constructive feedback on any aspect of school life that will enable us to continually review and refine what we offer our young people and ensure we are effective in our communications with you all.

We very much look forward to welcoming you.

If you are able to attend and can let us know in advance to help with logistics please email:

aallen@Wyvernsteds.org

However, please do feel free to just turn up, the more the merrier!

Many thanks

Mrs Caroline Smith

Deputy Headteacher
